6. Athletic Directors Report — Zach Denton

- MS VB is coming to an end. We will have our 7th grade most likely as the #1 seed in the playoffs and our 6th Grade team as a #2 seed
- Varsity Volleyball will be a #2 seed and host a playoff game on October 22nd **- SENIOR NIGHT - Monday 10/13**
- Our Cross Country Team has competed in 4 races and we've had several new PR's!
- Athletes across ALL Sports are crushing it in the weightroom. We're seeing those gains pay off big time!!
- Scholarship in honor of Ricky Fisk is in the works. It will honestly depend on the donation money sent in.
- Softball Preseason will be named the "Ricky Fisk Memorial Classic" (February 27-28, 2026)

I also wanted to throw out a couple suggestions:

Concessions: Instead of each sport being responsible to run concessions at their games- offer other sports teams (players, coaches, and parents) to run concessions for a percentage of proceeds to go towards their individual fund. West Ashley does this. It's not the biggest issue for sports with a JV program, but it does become an issue for Baseball, Softball, and Middle School Basketball.

Becoming a "Nike" School: The kids love it. It is a bit more expensive, but Nike is a recruiting tool in itself. Not every single thing has to be Nike, but if we could gradually make all Uniforms Nike, put up Nike logos in or at our facilities, it will give it a much more clean look. Just a thought, but I believe it is something we should consider. I want us to be uniform across the board in the way we look if at all possible.
