6. Athletic Directors Report — Zach Denton

Updates on:

- Fall Sports
- Winter Sports
- Middle School/Club Sports
- Spring Sports

I also wanted to throw out a couple suggestions – from last meeting:

Becoming a "Nike" School: The kids love it. It is a bit more expensive, but Nike is a recruiting tool in itself. Not every single thing has to be Nike, but if we could gradually make all Uniforms Nike, put up Nike logos in or at our facilities, it will give it a much more clean look. Just a thought, but I believe it is something we should consider. I want us to be uniform across the board in the way we look if at all possible.

7. Sub-Committee/Fundraising Updates from Designated CHAIRS

- Concessions - **LeAnne / Erica**

Note from Zach last meeting:

Concessions: Instead of each sport being responsible to run concessions at their games- offer other sports teams (players, coaches, and parents) to run concessions for a percentage of proceeds to go towards their individual fund. West Ashley does this. It's not the biggest issue for sports with a JV program, but it does become an issue for Baseball, Softball, and Middle School Basketball.
