Team,

Happy Friday. I apologize for the delay in meeting notes from last week's LLBC meeting but they are posted below. As always, I appreciate all of your time and dedication to support our student athletes. I think I captured everything but please feel free to add to the chain on things I may have left off. The big upcoming items we have are to support the Boosterthon for those that can, help out with Spring Sport Concessions as needed and the two events of the Sports Banquet and Coaches Dinner in April and May.

Details are below, don't hesitate to reach out if I can help in any way. Go Gators.
