Great meeting last night. I appreciate everyone's time, feedback and commitment. We will continue to get better with the process and communication. Below are (what I think) were some of the action items that came from the meeting yesterday. If you disagree or have others please don't hesitate to reach out. Next month we will get back on the cadence of Every 2nd Wednesday of the Month.

I need some help on the Student Athlete of the Month presentation on Thursday but sent a separate email on that need. On top of the To Do Items listed in the below snap shot, I also capture a couple of general takeaways:

- Town of Meggett will DONATE 800 dollars to support the remaining months for Student Athlete award
- General Need for Cheer Coaches at Lower and Upper Level – any recommendations
- Chick Fila funds will direct to the baseball program and the 15% contribution to the Athletic General Fund is on Corporate Sponsorships
- Need for better Social Media Presence and Marketing – if any recommendations
  - Also going to publish a REWARD for the 1,000 LLCS Athletic Page Follower – we are at 950 now
- Still determine whether we do 2 Athletic Banquets or piggy back on Winter MS Jamboree – TBD
- No action on the James Island Bus offer – anything the school wants to go in with or other options?
- Look at creating Membership option for LLBC for 2026 start
